

11. H.W. 2 HOW TO MAKE THE WORLD A BETTER PLACE

I'm Ted and I would like to tell you what I would do to make the world a better place. This story will include a body and a conclusion so just enjoy my story.

To make the world a better place, I would follow directions at home and at school so I will get a good C+ at school so my parents will be happy. I would work to be intelligent in school and be better in the future. I will keep reading books to get smarter at writing a story.

I will go to school to learn how to become a leader and to also study also to learn good habits that would teach me to do good and not to play with bad friends and always trust in God, the person that created everyone. This is all I would do

and to learn change will begin
with me.
